

**Bridget Carlsen**  
**Papillonia Dog Training Academy**  
**Saturday, July 11- Sunday, July 12, 2015**

**Advanced Only: Open and Utility\***

The Open and Utility classes contain all the interesting tasks that are fun for the dog. Yet, many dogs and handlers 'hit a wall' when training and maintaining these exercises. Bridget will teach students how to break down and teach these exercises and then provide the proofing and motivational techniques required to maintain a consistent and confident performance.

\*Green dogs/handlers are welcome, however teams must be actively training exercises at least on a basic level.
